EXPERIENCE

Creative & UX Designer (Freelance)

Cask LLC | Portland
2018 - Current

Transforming user experiences and elevating the visual execution of cloud-based web apps for Government, HR, and Tech industries. Conducting live user testing, building interactive prototypes, and tastefully infusing brand identities. Improving business processes, striving for creative innovation, and bringing order to chaos.

Designer & Production Artist (Freelance)

Sockeye & The Great Society | Portland
2015 - Current

Tackling projects of all shapes and sizes, from concept sketch to production art and everything in between. Consistently delivering bold and strategic visual solutions for national brands as well as local partners. Managing client communications and service requests to ensure the work is done well and satisfaction is high.

UX Designer & Creative Lead

Pop Art | Portland
2016 - 2017

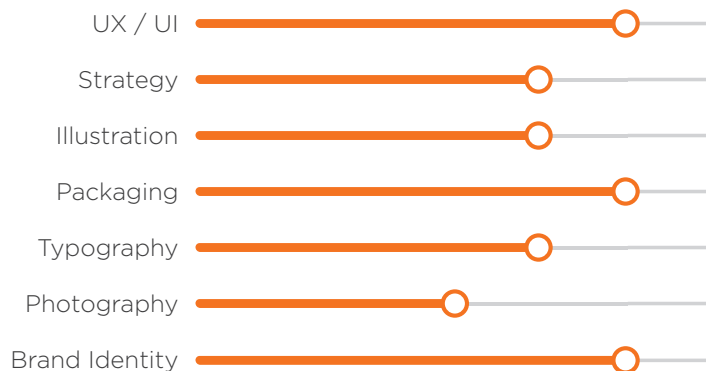

Performed research, including personal interviews, user testing, persona development, and journey maps. Developed the information architecture and elegant user interfaces for B2B mobile apps and responsive websites. Created superb presentation decks and sales collateral for new business development efforts.

Senior Art Director

Integer | Denver
2011 - 2015

Developed integrated consumer promotions for global Fortune 500 brands. Sketched ideas, crafted visuals, directed photoshoots, defined strategy, managed final production, and delivered impactful client presentations. Trained, mentored, and inspired several teammates while collaborating together to unearth useful insights.
